BANCA POPOLARE DI BERGAMO FOR HAITI

Considering the enormity of this tragedy that has hit the Island of Haiti, Banca Popolare di Bergamo responded immediately to the sudden and heart rending appeals for help that arrived from this island in the West Indies, commencing with a donation of 25.000 euro to the fundraising efforts organised by the Diocesan Caritas of Bergamo to assist with the very serious current emergency and the subsequent phase of reconstruction and development.

It was an important gesture of solidarity that Banca Popolare di Bergamo hopes will soon be followed by numerous other deeds of generosity by the people of Bergamo.
