**di cartelle ed obbligazioni
fondiarie, opere pubbliche,
agrarie e bancarie**

Aggiornato al 24/10/2013

Sezione Generale

L'elenco comprende anche i numeri dei titoli sorteggiati nelle precedenti estrazioni e non con annotata a fianco la data di rimborsabilità dalla quale sono infruttiferi. Sono pure indicati, con la segnalazione "P", i numeri dei titoli estratti e risultanti prescritti a termine di legge per mancata presentazione entro il decennio.

I titoli estratti sono pagabili se presentati entro dieci anni dalla data di rimborsabilità; decorso tale termine, sono da ritenersi prescritti ai sensi di legge (art. 2946 del Codice Civile).
I titoli estratti non producono interesse dalla data di rimborsabilità. L'ammontare delle cedole mancanti di scadenza posteriore alla data di rimborsabilità sarà detratto dall'importo nominale dei titoli stessi. I titoli con tasso di interesse variabile, mancanti di una o più cedole di scadenza posteriore rispetto a quella di rimborsabilità saranno rimborsati solo al momento in cui sarà noto il valore di dette cedole, il cui ammontare sarà dedotto dal capitale da rimborsare.

Le cedole di interesse sono pagabili se presentate entro cinque anni dalla loro scadenza. Le quote di rimborso di capitale che siano comprese nelle cedole sono pagabili entro 10 anni dalla stessa data. Decorsi tali termini i rispettivi diritti si prescrivono ai sensi di legge (art. 2948 e 2946 del Codice Civile).
